<u>Y1</u>

<u>Design and/or make fruit skewers or fruit salad</u> <u>for a Jubilee party</u>

- Discuss hygiene and safety in the kitchen
- Children can draw and/or make their design.
- Taste or think about fruit that children haven't tried before
- What colours will look eye-catching? What flavours will taste great together? Can you make a pattern on your skewer?

Y2

Design and/or make a pinwheel for a Jubilee party

- What colours will you use? What will you decorate it with?
 Will you stick anything on for decoration? (eg glitter, stickers, sequins...) Can you draw a Jubilee design for the school on your pinwheel?
- How will you strengthen your straw? How many points on the pinwheel will you make? Can you do more than 4?

Y5 and 6

Design and/or make a statue of a creature to welcome visitors to the school for the Jubilee party during the day.

It should be large enough to create an immediate impression, stable so that it does not fall over, stiff so that it keeps its shape, strong so that it does not break easily, durable so that it lasts a long time, made from readily available and inexpensive materials, and impressive through quality of construction and finish.

Y3 and Y4

Design and/or make a Jubilee board game to play at the party.

How will it work? Can you use 3D elements to make your game more interesting (eg build a tower or bridge to attach to your board...)

How will you move? Ask questions, use dice or cards? Will it be like a maze or puzzle to solve? Will it include coutries, places, or even your teachers as characters?

The Great Jubilee Bake off!

Can you design and make your own Jubilee Cake or Cupcakes?

How creative can you be with colours, flavours and shape? Maybe even something in Christ the King colours?

Send in photos/videos/recipes/designs of your creations (and of you eating them!) to Ms Kent and Mrs Lord on eschools!
