Wednesday 24th April 2019

Dear Parents,

Please find below important information regarding events taking place with Year 6 over the next few weeks.

Breakfast club (SATs week- 13th May until 16th May 2019)

On the mornings before the SATs (*Monday-Thursday*), we will be providing breakfast for every pupil. It is expected that **all pupils** will be in school **at 08:10**. The children will have the choice of a hot option every day and we will also give them cereal, toast, fruit and drinks as they wish.

It is important that every pupil attends as it will be a time for the children to chill-out over breakfast whilst listening to some music before going outdoors to participate in some activities/relaxation. Our Year 6 children last year enjoyed the breakfast club and found it helped them to relax before the tests.

Pizza lunch (Thursday 16th May)

To celebrate the completion of SATs, we will be having a shared lunch on Thursday 16th May. We will be ordering pizza and having ice-cream afterwards. The cost for this is £2.50 each. If your child does not wish to have pizza, please let us know; they will need a pack lunch instead. **Please can we have this payment by Wednesday 8th May 2019 with the reply slip below.**

Butcher's Coppice Monday 20th – Wednesday 23rd May 2019 (*kit list on back*)

- All medication must be handed in and appropriate permission slip signed by a parent and dated.
- You will need to drop your child to Butchers Coppice (Holloway Avenue entrance) at **9am on Monday 20th May** with all their belongings. You must park on Holloway Avenue and walk up the drive. We will direct you from there. **Your child will need a pack lunch on this day.**
- On **Wednesday 22nd May**, you will **collect your child from Butcher's Coppice** (the same place as you dropped them off) **at 14:45**.
- All kit must be named, even with initials- it's surprising how much they lose! Please make sure they bring a drink (not fizzy) **in a plastic named reusable drinks bottle** as we regularly re-fill during the trip.

If you have any questions, please speak to a member of the Year 5/6 team.

Thank you for your continued support.

The Year 5/6 team.
