Praying The Rosary

This week, our daily prayers are produced in partnership with Mission Together, which is the children's branch of Missio, the Pope's charity for world mission. Designed to coincide with the Feast St Peter and St Paul, the Day of Many Colours is Mission Together's annual day of celebration. It is a time to remind children that we belong to God's worldwide family and is based on the five 'continent' colours of the Mission Rosary.

You may be aware of the 'rosary': the traditional prayer which uses beads as a guide to meditate on the life of Jesus whilst praying the Our Father, Hail Mary and Glory Be. 'The Mission Rosary' follows the same tradition, but each section of the rosary (known as a 'decade' because it has ten beads in each section) is a different colour representing a different continent: green for Africa, red for the Americas, blue for Oceania, yellow for Asia and white for Europe.

Each day, the children will focus on a different continent and pray the rosary. Decide for yourself how many times to say the prayers each day. The options are:

- **Option 1:** 1 x Our Father, 1 x Hail Mary, 1 x Glory Be
- **Option 2:** 1 x Our Father, 3 x Hail Mary's, 1 x Glory Be
- **Option 3:** 1 x Our Father, 10 x Hail Mary's, 1 x Glory Be

If the children are saying 10 Hail Mary's, they can use their fingers to count.

Silent Letters Revision

This week, we are looking at words that all contain a sound that is made with two letters but only one is actually spoken. They all have a **silent letter**.

The name for two letters that make one sound is a **digraph**. Can you spot the digraph in each of these words? Write them down and draw a circle around the digraph and a line under the silent letter.

People across the world had been saying it for years.

Cities and villages, forests and rivers; all had been devoured by the ever-hungry cold. When would it all end? Would the sun ever shine again?
