Praying The Rosary

This week, our daily prayers are produced in partnership with Mission Together, which is the children's branch of Missio, the Pope's charity for world mission. Designed to coincide with the Feast St Peter and St Paul, the Day of Many Colours is Mission Together's annual day of celebration. It is a time to remind children that we belong to God's worldwide family and is based on the five 'continent' colours of the Mission Rosary.

You may be aware of the 'rosary': the traditional prayer which uses beads as a guide to meditate on the life of Jesus whilst praying the Our Father, Hail Mary and Glory Be. 'The Mission Rosary' follows the same tradition, but each section of the rosary (known as a 'decade' because it has ten beads in each section) is a different colour representing a different continent: green for Africa, red for the Americas, blue for Oceania, yellow for Asia and white for Europe.

Each day, the children will focus on a different continent and pray the rosary. Decide for yourself how many times to say the prayers each day. The options are:

- **Option 1:** 1 x Our Father, 1 x Hail Mary, 1 x Glory Be
- **Option 2:** 1 x Our Father, 3 x Hail Mary's, 1 x Glory Be
- **Option 3:** 1 x Our Father, 10 x Hail Mary's, 1 x Glory Be

If the children are saying 10 Hail Mary's, they can use their fingers to count.

Hidden Words

Draw and color a picture. Hide your spelling words inside your picture.

Show your picture to someone and see if they can find your hidden words!

Reading Thursday

We've noticed that there are not many of you doing Bug Club each day.

Please log on, read your books and remember to **answer the questions!**

We are checking each week to see who is reading!

Bug Club

Drop Everything And Read

Log on to our Year 3 Eschools Page
and I will post a video of me
reading the class text to you

Reading

For the next couple of weeks, your reading and writing will be linked to your Science topic about parts of the flower and how a flowering plant will reproduce.

Today, (or the next day you have good weather) try to go on a Plant Hunt either in your garden at home, or your neighbourhood, or local park or garden.

Use ideas from the following slides.

(it says school and teacher, but just imagine it is home, and grown up!)

Plant Hunters

THURSDAY AND FRIDAY'S TASK

Present Your Discovery

Imagine that you have brought your new plant back to Britain. Lots of people, including scientists, are waiting excitedly to see your new discovery and hear about what it is like.

Present your discovery to your group, describing all the things from your discovery sheet yesterday.

YOUR TASK:

Make a leaflet, poster, powerpoint, video or 3D model of your presentation of your plant and write your speech to go with your presentation. Remember to try to use the Year 3 writing standards in your speech.

Maths Thursday

Remember:

Please log in to these for maths before you do My Maths. These will help you with the tasks for My Maths this week.

Maths Thursday

Remember daily:

There are 10 tasks this week. You can do all the times tables tasks, or pick the ones that you know were your target times tables before lockdown.

Year 3 Booster:

Monday: Ordering whole numbers

Tuesday: Place value

Wednesday: Greater than, less than

Thursday: estimating amounts

Friday: number and place value 3 Overview
