

## **Summer Term 2018 (3)**

### **Dear Parents**

We are very blessed with the children here at CTK, even in Pre-school the children show kindness and compassion towards each other and this seems to grow throughout the year groups. There are occasional blips, which are part of life, between friends but these are soon mended. Please share the following with your children as it positively reinforces something that they do every day.

“Love and kindness are never wasted. They always make a difference. They bless the one who receives them, and they bless you, the giver.” Barbara De Angelis
