Year 5/6 Spring 2 Newsletter

Learning together in faith, hope and love.

Dear Parents,

We hope your children have enjoyed their half term and are feeling refreshed—we are now halfway through the school year and Spring is upon us! All children were a credit on our school trip, their costumes looked brilliant and we hope that they learnt a lot.

As we head in to the next half term, could we please remind you that attendance is paramount and please only keep children off school if it is really necessary. This is so that your child's learning is not disrupted as it can be very hard for them to catch up if they have missed the beginning of a topic.

If you ever have any worries or concerns, please remember we are always available to chat at a time that does not impact on children's learning—we like to think we are very approachable!

Regards, Year 5/6 Team
