Contacting Your Child's Class Teacher

We are available to talk before and after school for a short time, if you require a longer appointment please put a note in your child's book bag and we will contact you to make an appointment.

Attendance at School

We encourage regular attendance here at school but appreciate there are times when your child is unwell that they need to be at home.

We expect that if your child is absent for any reason you will inform the school by contacting the main office.

When your child returns to school we require a letter from you explaining the reason for their absence, to allow us to fill in the legal register documenting absences.

Thank you

Any Helpers?

- ▶ Please also let us know if you are able to volunteer some time... to hear readers? Any other skills / talents!
