## Year 5/6 Autumn Term

### Newsletter 1

Dear Parents,

A huge congratulations to all the Year 5 & 6 children; they look very smart and have settled quickly into the new routines. It is great to see the children making new friends from other year groups and very pleasing to see our Year 6 caring for younger peers.

For those parents unable to make the 'Meet and Greet' session, the PowerPoint shared is available to view on our class page on the school website (ctkcps.com).

We are active users of the school webpage and Twitter and would recommend you visit them regularly to see the latest news, letters and photographs of your child/children's learning.

Please regularly check your child/children's bag, checking for important letters, letters will also be sent via email. Your child/ children will have received a letter about Leeson House (Year 5) and Butcher's Coppice (Year 6) residential trips.

Our first trip was a great success, it was a pleasure to spend the day with your child/ children, their behaviour was outstanding and impeccable manners were shown to the general public. You would have been very proud.

We are looking forward to great year of fun and learning.

Regards

Year 5 & 6 Team
