

Christ the King
Reception Autumn 1 Newsletter
Learning together in faith, hope and love.

Dear Parents,

We would like to welcome you all to Christ the King School! All the children have settled well and seem to be enjoying their first few weeks in school. We have had a great time getting to know each other.

We begin this year by learning "All About Me" and ask if you could please upload a photo of your child as a baby on Tapestry by Monday 21st September. We will let you know about the different topics we are learning throughout the year. Our year will include additional topics initiated by the children, which could change our overview accordingly.

We look forward to working with you all this year.

Year R team.

Phonics, Reading and Maths Workshops

We would normally have a Phonics and Reading Workshop and a Maths Workshop in our Autumn term. Unfortunately, due to Covid 19, we are unable to deliver these sessions in school.

However, instead we will now upload guidance and support onto Tapestry over the next few weeks. These will include invaluable information to support your child in their early stages of Phonics and Maths learning. There are also lots of Read, Write Inc. phonic resources online for parents too. Please ensure to give yourselves time to view them and if you have any questions then always ask! We are always here to help you and your child in their learning journey.

Reminders
