

Are you passionate about making a positive contribution to children's education? Then St Peter's would love to hear from you.

Founded on the life, teaching and example of Jesus and the 350-year tradition of Lasallian education, St Peter's is one of the largest Catholic schools in the country. A successful, growing and over-subscribed mixed comprehensive school; this September we complete our exciting journey to become an all-through school for 4 to 18 year olds.

We are now looking for new trustees who strongly identify with our School's purpose, ambitions and values to join our governing board.

Bringing your own experiences of education and life beyond school, together with unique perspectives and insights, you will contribute to conversations and inform decision-making in the interests of our school community. If you have a strong background in financial management / accountancy or proven experience of working to safeguard young people or working with young people with special education needs and disabilities, even better.

An immensely rewarding opportunity to make a real difference to young people and to give something back to your local community, the typical time commitment includes attending one or two early evening meetings each term and carrying out a half-day monitoring and evaluation visit once a term; spending time in the school talking to students, staff and attending parents evening.

Together with other governors, as a Member of the Governing Body, you will also work to:

- Oversee the financial performance of our school, making sure money is well spent.
- Hold the Headteacher to account for the educational performance of our school and children.
- Ensure a clear vision, ethos and strategic direction for our school.

With full support and training provided, if we have inspired you to find out more, please contact Mrs S Wallace-Abbott, Clerk to the Governing Body on swo@st-peters.bournemouth.sch.uk with your full contact details and a brief explanation of why you are interested in joining our governing body.

We encourage interest from all members of society, regardless of background, gender, ethnicity, disability or age (as long as you're over 18). We particularly welcome applicants from a BAME background, as we currently have an ethnicity imbalance on our governing body and as a Catholic school, applicants who are practicing Catholics.

***'With Christ as our guide, learning together,
loving God and each other, becoming the best we can be'***
