Year 2 Summer 1 2021 Newsletter

Dear Parents and Carers,

It already seems quite a while ago, but we must say again how seamlessly, the children in Year 2 returned to being together in class again on March 8th. Now we want to push on-wards in their final term in Key Stage One, and look forward to consistently teaching them for the remainder of their time in Year 2, with your continued home support to partner our efforts.

Miss Oppo has now begun her maternity leave. Mrs Atkinson will be teaching Toucans class Monday to Wednesday from now on, with Miss Pain now teaching Toucans class Thursday and Friday each week. Miss Buxton and Miss Branca continue to support Year 2 classes and Mrs Mahon will now be working across Key Stage One.

This half term's learning '[Around the World!](#)', is all about courageous explorers. Again, this learning will link with prior learning in Geography (continents, oceans, poles,) and to Science (habitats.) Children will learn about incredible journeys that have been made in the past, whilst considering the [Gospel Value of Courage](#) and how explorers have shown this value.

We look forward to the fresh term and exciting the children with their learning once more! Kind regards from Mrs Atkinson, Miss Pain & Mrs Sargeant.
