

Christ the King

Year 4 Summer Term 2 Newsletter

Learning together in faith, hope and love

Dear Parents,

Welcome back after the half term and we hope you've had a restful break. We have a lot planned for this half term! There are many ways you can support your child and hopefully this newsletter will be useful to you in that. Please remember, we have an open door policy and are happy to discuss any aspects of your child's education with you. Sincere thanks to you all for your continued support. We have already started to view the Roman Powerpoint presentations and posters that the children carried out over half term. We think we have some budding historians in the making!
