## Urgent - Schoolwatch Incidents

Dear Parent/Carers,

We are writing to you to inform you of some suspicious behaviour that took place near one of the bus stops in Alderholt on the morning of 24<sup>th</sup> January.

1. **Incident no: 24/95** on 24/01/18 - a Schoolwatch alert has been set up to all schools in the area. The incident involved two men in a white van allegedly driving repeatedly around the area of Alderholt, watching and gesturing to the children waiting for the school bus.
2. **Incident no: 125:260** at 16:50 hours on 25/01/18 two males in a white van were driving past Winton Primary School in Oswald Road, Bournemouth trying to tempt children into the van.
3. **Occurrence 55180013137:** 25/01/18 at 15:30 - an 11 year old student was walking home and outside Somerford Primary School, he noticed two males in a white van waving and shouting "hello" towards him. They then said "you alright mate?" The student ignored the males and they drove off. The description was that both males were white with the driver being in his mid-30's and had dark hair.

**Local Neighbourhood Policing Teams have been asked to speak to this school and others in the surrounding area.**

Teachers will also be speaking to the children about stranger danger, however, it would be helpful if you are also able to speak to your child about keeping safe and that they should report any incidents to you or school.

Yours sincerely,

Clare Tickel  
Headteacher
