Urgent - Schoolwatch Incident

Dear Parent/Carers,

We are writing to you to inform you of some suspicious behaviour that took place outside of Muscliff Primary School today at 11:55 hours.

- **Incident no: 131:226 on 06/02/2018** – Children have reported seeing a white van with blue and yellow markings parked up next to the school fence. The children state that they noticed the van because they saw flashes coming from it and believe that there were two males inside it taking pictures towards the school.
- They have described the males as being white with short dark hair and aged in their 40's. The men did not speak to the children and they did not get out of the vehicle.
- The children have described the vehicle as a white transit van, medium size with blue and yellow markings. The window was part way down on the passenger side.

Police Action Taken – Police attended and took details from the children that witnessed the van. Local officers are aware and will pay extra attention to the area.

Yours sincerely,

Clare Tickel
Headteacher
