

**Christ the King**  
**Year 1 Autumn 1 2020 Newsletter**  
**Learning together in faith hope and love**

Dear Parents and Carers

It has been wonderful to welcome you all back after a long few months. We are so happy to see the children really enthusiastic about their learning and have loved meeting them and getting to know them. The children have been amazing at settling back into school so quickly. They have already started to get to grips with all of our routines which is fantastic.

We have an exciting half term ahead. We have kick started the year with our Laudato Si and Me theme. This has included learning all about our environment, how to keep our world clean and take care of our surrounding areas. We have also been focusing on ourselves, discussing ways we can keep safe and happy at school and learning our classroom rules. We have been basing our work on the book 'Here We Are' by Oliver Jeffers which we have used to explore our beautiful planet. Our main topic this term will be Percy's Park. This topic is primarily Science based and so we will be learning about animals and humans. The children will have a chance to compare and classify animals, explore their habitats and identify different species. We look forward to engaging in more learning with the children this term.

With kind regards, Mrs Luford (1L Robins) and Miss Warr (1W Swans)

### Communication

Tapestry and Marvellous Me will be continued to be used this year. We shall use Marvellous Me to communicate key information and celebrate your children's achievements. If you have any questions or queries please send us a message on Tapestry and we will endeavour to respond as soon as we can. If you have any burning queries that you would like to discuss with us privately please phone the office to organise a phone call. We will also put key messages on the board outside our doors.

### How can you help?

The key days for our **PE lessons** are Wednesday and Friday.

Please can the children arrive to school in their named PE kit. Many thanks!
