

Christ the King

Year 4 Spring 1 Newsletter

Learning together in faith, hope and love

Dear Parents,

Happy New Year and a warm welcome back to the start of the Spring Term!

In our Religious Studies this term, we will explore how Jesus is viewed by different people, examining the impact of His miracles and values on the development of Christianity.

Our first topic this term is The Early Islamic Civilisation and Particle, Model and States of Matter.

Within these, the children will explore how the Early Islamic Civilisation lived, noticing the similarities and differences to our society and that of the Ancient Mayan Civilisation. We will delve deeper and look at states of matter, observing the particle patterns that make up solids, liquids and gases and how each behaves under different circumstances. Then turn our attention to the water cycle, where we will break down the natural process of evaporation and condensation.

We will begin to drive our timetables learning as we ramp up our efforts in readiness of Summer terms MTC test. Please ensure your child is accessing TT Rockstar's everyday, as short frequent bursts are proven to improve pace and understanding.

We are looking forward to our trip to Winchester Science Centre after half term. We will be learning how sound is made, how it travels, how it enters our ear and how we can change the volume and pitch of each sound. Please expect a letter regarding this.

Key Dates

Mon 20th Jan:	Escapeline in school workshop plus Parent workshop
Fri 24th Jan:	Tennis taster session
Wed 29th Jan:	PTFA uniform sale
Thurs 30th Jan:	Books at Bedtime 6pm-7pm
