Learning together in faith, hope and love.

Values Question

How can we be kind to others and ourselves?

Through our learning, we are recognising acts of kindness to others.

Dear Parents,

We came back to school after the half term break ready to continue our exciting Reception journey!

We have embraced Autumn by celebrating Bonfire Night and we have learned about celebrations from other religions, including The Festival of Light, Diwali. We loved making our own Diya lamps!

We are learning to rhyme and we are continuing our to develop our love of stories by reading traditional tales and retelling stories such as The Little Red Hen and baking our very own bread!

We have started Drawing Club a part of our Literacy, allowing children to really use their imaginations through listening to and using their own ideas to change and develop well known stories!

In Maths, we continue to develop our mathematical language and increase our confidence with number skills and shape knowledge.

We are looking forward to a very busy half term leading up to all things Christmassy, including the Nativity performance, Pantomime and Party.

We are going to introduce a new Home Learning Certificate, so please do encourage your child to 'have a go' at all our Home Learning activities on Tapestry -they are specifically linked to their learning in school. I wonder who will be able to collect the most certificates in Golden Assembly? Those who do, will win a prize each half-term !

The Reception team.
