

Christ the King

Year R Spring 2 Newsletter

Learning together in faith,
hope and love.

Dear Parents,

What a busy start to the half term it has been! We were lucky enough to have our annual walk to Kinson library in the glorious sunshine to kick off World Book Week.

We celebrated Shrove Tuesday with pancake tasting and have already talked about Ash Wednesday to explain the beginning of Lent. We will continue to explore the Easter Story and the life of Jesus as an adult as the term progresses.

We have been finding Signs of Spring and will be learning about growing by growing cress and through the story of Jack and the Beanstalk; planting, growing and writing about our very own beans! We will be finding out all about dinosaurs in our Science Dome next week too!

In Maths, we will be learning number bonds to 10 and exploring different mathematical patterns.

Thanks once again for your continued support.

The Year R team.
