Dear Parents and Carers,

We are pleased to share with you our recent school report, which recognises the welcoming and inclusive ethos at the heart of our school community. As always, we are proud to be a school where everyone is truly valued, and this was clearly seen in how staff nurture strong relationships with pupils, built on respect, care and trust.

The report celebrates our pupils' positive behaviour, their sense of safety, and their confidence in turning to staff for guidance. It also praises the many opportunities available for children, acknowledging how these help to make learning come alive and build pupils' understanding of the world around them.

Our pastoral care is a real strength and attendance has shown notable improvement, showing children enjoy and value school.

Behaviour and attitudes were graded **Good**, recognising that pupils behave well in lessons and around the school, and they enjoy strong relationships with staff. Personal development was also graded **Good** highlighting the fact that pupils are taught to respect and celebrate diversity, and they take pride in their contributions to the wider community.

Importantly, school leaders were recognised for having a clear understanding of where improvements were needed. The leadership team, trust, and governors are fully aware of the areas requiring development and are actively addressing them. We have already taken significant steps to strengthen our curriculum. Plans are now sharply focused and ambitious, with higher expectations set for all pupils.

The full report can be accessed through the following link:-

We thank all our families for your continued support. We remain committed to ensuring every child at Christ the King receives the best education possible.

Best wishes,
