The Books at Bedtime is a wonderful initiative to promote the love of reading. A big thank you to staff for staying and reading for the children.

It's with a sad heart that we say goodbye to Mrs Bailey-Cobb at the end of this half term. Mrs Bailey-Cobb has been at our school for a number of years and in that time, has made a significant difference to the children and families of Christ the King. The school has worked hard to ensure continuity for the children and we are very pleased to announce that Mrs Ahmed is stepping into the role until the end of the year, and will be supported by Mrs White.

As you are aware, our school is part of the Plymouth CAST, we are a group of 38 Catholic Schools across the South West of England. Plymouth CAST turned 10 years old this week and we will be celebrating the milestone later in the year with other schools in our area.

Lastly, I cannot underplay how important the Year 6 meeting for SATS is this Thursday evening. Please make a big effort to attend so we can support your child as much as possible.

Kind regards

Brian Morton
