every day after school.*

This week in School..

This week children in RE have been focusing on the story of Creation and the Covenant that God made with us after the Great Flood and Noah's Ark. A brilliant team of Year 6 ambassadors had a great time representing the school at the Social Justice Conference. Our Achiever certificate winners have also enjoyed a hot chocolate and discussion about their learning with Mrs Terrey

Reminders

Please remember that we are a **nut free school**. The school has a number of pupils with nut allergies and 1 pupil with a severe allergy to the following: peas, lentils, sesame, kiwi, chickpeas and nuts. Please avoid these items in your child's lunchbox. **This includes sushi as this often contains sesame** Thank you for your support.
