

# Christ the King Year 3 Autumn 2 Newsletter

Learning together in faith, hope and love

Dear Parents,

Autumn Term 1 has been a huge success!

We've had great fun learning about places in the UK and Brilliant Bones and Bodies for topic and the Creation story in RE. We explored how we can be Stewards of God's creation.

Coming up this half term, our topic is 'Tomb Raiders!', where we will be investigating Ancient Egypt. As part of this, we will be exploring artefacts, looking at the chronology of this period of history and will learn about life in Ancient Egypt. We will be writing an Egyptian adventure story and creating an information page about our Ancient Egypt learning. Later in the term, we will begin our next Science topic which will focus on light.

Thank you for your continued support and patience.

Best Wishes,

Miss Roberts & Miss Skelton

## Home Learning

### Reading

We encourage all children to read daily. We will be checking for 3 signatures every week in your child's reading record.

### Times Tables

At the end of Year 4, every child will be tested on their times tables knowledge. The more your child can learn this year, will make Year 4 so much easier! We will start in class with recapping our x10, x5 and x2, then continue on to x3, x4 and x8. We expect children to login to Times Table Rockstars at least 3 times a week for a minimum of 10 minutes each session.

### Homework

Every Friday, your child will be sent home with their homework stuck in their homework book. This will include Spellings, Maths and English to consolidate their learning from that week. This will be due in the

## Key Dates and Information

- 14.12.23—KS2 Carol Service—1.30pm
- 15.12.23—last day of term (3pm finish)
- 16.12.23—PTFA Christmas Fayre

## Uniform

**Naming items of clothing:** Please do make sure your child's name is in any jumpers or coats. A name label or sticker works better as pen does rub off. We have a few unclaimed jumpers from last term with no names in, if your child is missing one—please ask at the door!

**Cold Weather:** Please ensure your child has a water proof coat in school at all times as the weather is so unpredictable! As the weather begins to get colder, you may wish to send an extra layer into school with your child.
